“NOBODY GOES HOME UNTIL THEY’VE KILLED THE NIGHT”

- Ernest Hemingway

If you are reading this, it means you found us. One day, UBC will let us get proper signage; one day, we may even have a wayfinding sign that says Koerner's Pub on it.

We can only dream.

In the meantime, revel in your navigational prowess and if you're feeling generous, tell your friends about us. Tell them about the best hidden bar on campus and its secret garden patio.

DRINK LIKE YOU MEAN IT

If you're serious about beer, then we can be friends. Koerner's is the only place on campus that has a real, local craft beer program. We only pour beer we believe in, with the exception of our Cheap and Shitty Lager™, that's there for necessity. Craft beer costs a bit more as it's handmade from real ingredients, but we think you'll find it's worth it.

Check out our rotating taps where we seek out new and exciting breweries that are putting out great small craft products. If you know of some great local craft beer that you'd like to see at Koerner's, slide into our DMs!

SUSTAINABILITY

Yeah, yeah, yeah. You've heard it all before. We're green. We love trees. We like recycling. We heart worms. Well, we do. Selfishly, so that we can sleep at night, we compost all of our foodwaste, napkins, coffee-cup lids, and even recycle our straws and fryer oil. We print all our office memos on reused papers so that you have no idea which side you're supposed to be reading. This doesn't mean we're necessarily good people, but maybe not the worst?

gf gluten free ✓ vegan

All seafood options on this menu are recommended by the Vancouver Aquarium's Ocean Wise program as ocean friendly.

All of our meat products are hormone free, and naturally raised.
